CANCER SUPPORT PARTNERSHIP EVENTS

St. Peter's Health Resource Center is partnering with the community to provide free programs that complement medical care for cancer through the Cancer Support Partnership. These include: support groups, exercise, education, and more. Family and friends are welcome to participate in most activities.

SUPPORT GROUP

CIRCLE OF HOPE

This is a survivor-led support group for women who have or have had cancer. It is supported by St. Peter's Health and meets the first and third Wednesdays at noon at the Survivor's Boutique, 1054 Helena Ave.

St. Peter's honors survivors with cervical cancer for January National Cervical Health Awareness Month and honors all cancer survivors for February National Cancer Prevention Month.

EDUCATION

COMMUNITY EDUCATION

St. Peter's offers numerous health and wellness classes for the community. Among them are Quit for Life (tobacco cessation), Stepping Out (fitness and diet), Inch by Inch (cardiovascular and diabetes prevention), Arthritis Pool (exercise), First Aid and CPR. Visit www.sphealth.org/classes-events for a full listing.

SURVIVORSHIP SERIES

A series of classes covering various topics intended to increase awareness and management of any long-term physical effects and emotional stressors that could occur after cancer treatment. RSVP is appreciated but not required; contact Tina Stern (406) 438-5029 or ctstern@sphealth.org.

HEALTH RESOURCE LOUNGE

The Health Resource Lounge is a place where people have the opportunity to find the most recent information on the prevention, early detection, and treatment of cancer. It's located just inside St. Peter's East Entrance near the Cancer Treatment Center. Within the center there is also a private wig room where patients can be fitted with an appropriate wig or hat.

ASSISTANCE

ROAD TO RECOVERY

Through the American Cancer Society's Road to Recovery program, volunteers give their time and use of their vehicles to provide a friendly, supportive, reliable presence and free transportation to and from cancer-related medical appointments. Please call your nurse navigator for more information.

LODGING PROGRAM

Free rooms are offered on a space available basis to cancer patients and one caregiver traveling more than 50 miles to Helena for their treatments; that do not have friends or relatives to stay with; and for whom paying for a hotel would be a financial hardship. Reservation requests must originate with St. Peter's and are filled by the American Cancer Society's patient service center. For more information, ask your nurse navigator.

THANK YOU

The Cancer Support Partnership would like to say a special thank you to all of those community organizations who have donated time, money, and space to our Helena area cancer patients and survivors.
