

[November 10, 2025]

Dear Gracious Donor,

As the holidays approach, we're reminded how precious time with loved ones truly is. Light a Life, a cherished tradition led by St. Peter's Hospice and the St. Peter's Health Foundation, invites our community to honor those we love while supporting compassionate hospice care for all who need it.

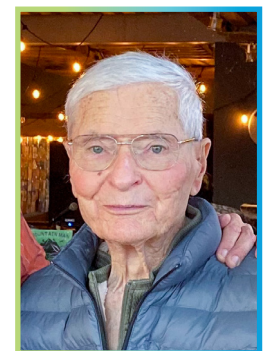

My name is Yueh Chuang, and my family and I are incredibly grateful to St. Peter's Health Hospice.

In late June 2024, I reached out to St. Peter's Hospice as my mother's health rapidly declined. She was enduring constant pain from serious injuries, while also struggling with advancing dementia. During this already difficult time, our family was also navigating the unexpected loss of my brother. The nurse and social worker not only tended to my mother's medical needs, but also brought moments of comfort and laughter into her days. Their visits—even the small kindnesses, like sharing homemade treats—were gifts of peace in the midst of our sorrow.

I came to rely on the regular check-in calls from the St. Peter's Hospice bereavement and volunteer coordinator. Those conversations provided reassurance and guidance when I needed it most, both before and after my mother's passing. The ongoing support—including grief groups—helped me carry the heavy weight of loss while continuing to care for my family.

Earlier this year, my father-in-law also passed away. Because of my experience with St. Peter's Hospice, my wife and I knew without hesitation that hospice care would provide the same compassion, comfort and dignity for him and our family. We cannot imagine our journey through grief without the extraordinary care of hospice.

I invite you to join me in making a gift through Light a Life. Your generosity helps our community surround families with compassion in life's most difficult moments, ensuring everyone has access to hospice and bereavement support when they need it most.

Yueh Chuang

Honor Someone You Love.

With your donation, you may choose to honor or remember someone special by placing their name on the tribute boards displayed at the annual Light a Life celebration.

- **Memory Board** - for those who have passed
- **Living Honor Board** - for those we continue to cherish

Your tax-deductible contribution of any size—large or small—directly impacts the lives of hospice patients and their families. Each dollar provides comfort, hope and care.

To ensure the sustainability and impact of this meaningful tradition, we kindly ask for a suggested gift of \$10 per name submitted. Your generosity makes it possible to honor each name with care and respect.

We invite you to designate your Light A Life gift to the hospice program or to an area of care that is most meaningful to you.

This year, your Light A Life gift options are:

- Hospice Fund
- Sister Elizabeth Henry No One Dies Alone Endowment (NODA)
- Greatest Need/Unrestricted Fund
- Spiritual Care Fund

You are cordially invited to join us for the [Light a Life ceremony](#), a heartfelt gathering of remembrance, community and hope on the evening of [December 11](#) at the Helena Civic Center. To learn more, please visit foundation.sphealth.org

Thank you for your consideration of support, for honoring your loved ones by making a gift through the St. Peter's Health Foundation, and for extending comfort and care to others through St. Peter's Health Hospice.

With warm wishes for a peaceful holiday season,

Alyne Eickert, MPT
Home Health and
Hospice Director

Stephen Mason
Executive Vice President
St. Peter's Health Foundation

P.S. We welcome multiple name submissions for the tribute boards, and kindly ask that your donation reflects the number of names you are honoring. Every name carries a story—and your gift ensures those stories are honored with lasting care.
