

Light a Life

Honoring loved ones with gifts
benefiting St. Peter's Health Hospice.

St. Peter's Health
FOUNDATION

2019

Celebrating

26
YEARS

Light A Life is the only event to raise funds for the care given by St. Peter's Health Hospice—Helena's only nonprofit hospice care.

Thank you for your continued support.

Light A Life has raised \$1.3 million over the last quarter century, ensuring hospice care is available to all, regardless of one's ability to pay.

Light a Life

DECEMBER 12, 2019

*Please visit the **Memory Tree** and write a cherished memory of someone special on a holiday ornament to display on the tree.*

PROGRAM

WELCOME

Bennett MacIntyre, Project Manager, St. Peter's Health Foundation

LIGHTING OF THE TREE

MUSICIAN: Colleen Mockler

CANDLE-LIGHTING CEREMONY

INTRODUCTION:

We light these four candles in honor of our loved ones:

One for our grief;
One for our courage;
One for our memories;
and one for our love.

THE BLUE CANDLE

This candle represents our grief -

The pain of loss is intense, but it reminds us of the depth of our love.

THE GREEN CANDLE

This candle represents our courage -

The courage to confront our sorrow, to comfort each other and to change our lives.

THE WHITE CANDLE

This candle represents our memories -

The times we laughed, the times we cried, and the times we were angry with each other: the silly things we did, and the caring and the joy you gave us.

THE RED CANDLE

This candle represents love and hope -

As we enter each new day, especially during the holiday season. We cherish the special place in our hearts that will forever be reserved for you. We give thanks for the gift your life brought to each of us.

We will love you always.

May the light and warmth of these candles be a reminder of the spirit of those we cherish. Our love for them is eternally sheltered in our hearts and memories. The light our loved one has brought into our lives can never be extinguished. May the glow of these flames symbolize our source of hopefulness now and forever.

GIFTS RECEIVED THROUGH DECEMBER 6

We do our best to ensure accuracy for all of our donors and apologize for any errors. Please contact Robin Richardson at rrichardson@sphealth.org or call the Foundation at 444-2370 regarding any errors or omissions.

HOW YOUR HOSPICE DONATIONS MAKE A DIFFERENCE

Every donation to St. Peter's Health Hospice and *Light a Life* is placed directly into a Hospice account within St. Peter's Health Foundation and used strictly for providing hospice care. These donations allow St. Peter's Health Hospice to provide services to every person, regardless of personal finances or insurance. Here are some of the ways in which donations are used:

Unfunded/unreimbursed Care

Every year there are patients who lack insurance or other resources to pay for hospice care. Approximately \$75,000-\$200,000 annually is required from the Foundation's Hospice account to provide these services to those who would not otherwise be able to afford them.

The Jane Hibbard Hospice Endowment

Hospice donations fluctuate from year to year based on many factors, and do not often coincide with actual hospice expenses and needs for that same year. To create a source of steady funding for Hospice, Jane Hibbard created a permanent endowment to benefit St. Peter's Health Hospice. The income this fund generates is a permanent, annual source of funding for providing hospice care. Donors may designate their gift directly to the endowment fund, which not only ensures hospice services will be funded for many years to come, but also qualifies the donor for the Montana Income Tax Credit.

Special Hospice Equipment

Motorized hospice beds for patients' homes, nursing supply bags, gel cushions, ear thermometers, pulse oximeters and a 4-wheel drive car (to get to patients' homes during tough Montana winters) are just some of the equipment that has been provided through Hospice donations.

Hospice Staff and Community Education

Donations help fund staff attendance at professional education seminars on topics such as infant loss and bereavement, pain management, and many others.

Bereavement Support Groups

Hospice donations are used to pay the costs of counseling and support groups so that everyone has access to this valuable service as they face the loss of a loved one.

What is the Foundation's role?

St. Peter's Health Foundation is responsible for receiving, recording, acknowledging and accounting for all gifts to any part of or service provided by St. Peter's, such as Hospice.

To donate to St. Peter's Health Hospice, call 444-2370

For information about grief support, call 444-2244

WE EXTEND A SINCERE “THANK YOU” TO OUR HOSPICE VOLUNTEERS AND STAFF

For those who provide dedicated and committed hospice services to St. Peter’s Health Hospice patients and their families every day throughout the year, we offer our heartfelt gratitude.

In the words of a donor, you are “angels on earth!”

To those who spend countless hours this time of year replacing light bulbs, trimming trees, hand-writing acknowledgement cards and putting together this beautiful ceremony—YOU are the reason *Light A Life* continues to be a success. We couldn’t do it without your help.

We also wish to extend our gratitude to

THE MONTANA RADIO COMPANY

and

TOM’S CRANE SERVICE

for their assistance in holding this event.

WARM WISHES TO YOU AND YOUR LOVED ONES FOR A
HAPPY, HEALTHY HOLIDAY SEASON AND 2020

St. Peter's Health
